Pride in the SCAM reviewing process

Pride in the SCAM reviewing process

“Could you please transmit my warmest thanks to the author of review #1 of our paper, not because he/she liked the paper, but more because of the time spent to provide remarks, ...”

Thanks to the reviewers!

Thanks to the reviewers!

A word cloud visualization where the size of each name indicates its frequency or importance. The names are color-coded and arranged in a grid-like pattern. Some names have small text below them, likely indicating their contact information or specific roles.

Names visible in the word cloud include:

- marianoceccato
- DawnLawrie
- MagneHaveraaen
- AnirbanMajumdar
- MartinBravenboer
- SybilleSchupp
